**Peek into  
ASU's small  
business  
initiatives**

Like Center for Small and Medium Business as part of Technology, Innovation, & Entrepreneurship and West Valley Forward initiatives.

**Honor  
SMB Lab  
and six  
successes**

Ecosystem uniting industry leaders, economic development units, faculty & students, to provide data & Tech-driven consulting for SMBs like yours.

Six companies impacted, see our success first-hand!

**Talk  
innovation in  
small  
businesses**

Limitations aren't roadblocks - they are invitations to think out-of-the-box solutions for your business and become an industry disruptor.

**Engage  
with ASU  
student  
talent**

At our Center for Experiential Learning, they're becoming intra- & entrepreneurs - from creating marketplaces for local businesses to consulting on SMB projects, they're learning by doing.
